6. Create a Profile for yourself in Canvas.... Editing your account information allows you to set up your profile. Click on the **Account tab** then the **Profile** heading.

7. Move your mouse over the image circle (the default will be a white head on a blue background). Click on the pencil symbol when it appears. This will open the dialogue box below where you can navigate to a saved picture on your computer that you wish to upload as your Canvas profile image. This will be seen by all teachers and users on Canvas so please choose appropriately.

The screenshot consists of two parts. On the left is the original profile page for 'Naomi White's Profile'. It shows the sidebar with the 'Account' tab selected, and the main content area with the profile picture, name, and various settings links. An orange box highlights the pencil icon on the profile picture. On the right is a 'Select Profile Picture' dialog box. It has a placeholder image, a 'choose a picture' button, and 'Cancel' and 'Save' buttons at the bottom. The URL 'https://dsode.instructure.com/profile' is visible at the top of both screenshots.
